

HOT TUBS | BUILT TO ORDER

BUILT FOR YOUR LIFE. NOT THE SHOWROOM.

Every Royal Spa hot tub is built by hand at our Indianapolis factory and configured to fit how you actually live in it: the seating you want, the jets where you want them, the upgrades that matter. Backed by a 40-year structural warranty that no competitor in the industry matches.

DESIGNED FOR LIFE. ENGINEERED FOR EFFICIENCY.

40-YEAR WARRANTY

Structural coverage on the fiberglass shell and pan; the longest in the industry.

BUILT TO ORDER

Configured to your specs at our Indiana factory, or pick from ready-to-ship inventory.

EPSOM SALT READY

The only manufacturer that engineers for Epsom salt from the factory.

SMALLER FOOTPRINT

Same Engineering.
Same Warranty.

Compact and mid-size Royal Spas use the same shell construction, the same 40-year structural warranty, and the same Epsom Salt Ready engineering as our largest models. Lower water volume, faster heat, smaller pads.

HAND-BUILT IN INDIANA

Manufactured at our Indianapolis factory by the people who answer the phone.

DESIGNED FOR LIFE. BUILT TO LAST.

1981

INDIANA-MADE SINCE 1981.

For over 45 years we've built hot tubs, swim spas, float tanks, cold plunges, and baptistries by hand at our Indianapolis factory. Sold factory-direct from three Indianapolis-area showrooms, no importers, no middlemen. You buy from the people who built it.

STRUCTURAL WARRANTY

The longest warranty in the industry, by far. Covers the fiberglass shell and fiberglass pan on every Royal Spa we build. No fine print, no exceptions. The same standard we've held since 1981.
